PROXY STATEMENT

FOR THE ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD MAY 7, 2002

This Proxy Statement is furnished to stockholders of Harte-Hanks, Inc. ("Harte-Hanks" or the "Company") for use at the 2002 Annual Meeting of Stockholders to be held at the date, time, and place and for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders, or at any adjournment thereof. The enclosed proxy is solicited on behalf of the Board of Directors of the Company. A stockholder executing the accompanying proxy has the right to revoke it at any time prior to the voting thereof by notifying the

secretary of the Company in writing, executing a subsequent proxy, or attending the meeting and voting in person. Unless a contrary choice is so indicated, all duly executed proxies received by the Company will be voted in accordance with the instructions set forth on the proxy card. The record date for stockholders entitled to vote at the Annual Meeting is the close of business on March 15, 2002. The approximate date on which this Proxy Statement and the enclosed proxy are first being sent or given to stockholders is March 28, 2002.

VOTING PROCEDURES

The accompanying proxy card is designed to permit each stockholder of record at the close of business on the record date, March 15, 2002 (the "Record Date"), to vote in the election of Class III directors and on the proposal to increase the number of shares of Common Stock reserved for issuance under the Harte-Hanks, Inc. 1994 Employee Stock Purchase Plan from 2,000,000 to 4,000,000 (the "ESPP Proposal"), as each is further described in this Proxy Statement. The proxy card provides space for a stockholder (i) to vote in favor of or to withhold voting for the nominees for the Class III Directors; (ii) to vote for or against the ESPP Proposal; (iii) to vote for or against any other proposal to be considered at the Annual Meeting; or, (iv) to abstain from voting on any proposal other than election of Class III directors if the stockholder chooses to do so. The election of Class III directors will be decided by a plurality of the votes cast. Any other matters will be determined by a majority of the votes cast, except as otherwise required by law or applicable stock exchange rules.

The holders of a majority of all of the shares of stock entitled to vote at the Annual Meeting, present in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. If a quorum should not be present, the Annual Meeting may be adjourned from time to time until a quorum is obtained. Shares as to which authority to vote has been withheld with respect to the election of any nominee for director will not be counted as a vote for such nominee.

Abstentions and broker nonvotes are counted for purposes of determining the presence or absence of a quorum for the transaction of business. Abstentions are counted in tabulations of the votes cast on proposals presented to stockholders to determine the total number of votes cast. Abstentions are not counted as votes for or against any such proposals. Broker nonvotes are not counted as votes cast for purposes of determining whether or not a proposal has been approved.

Stockholders are urged to sign the enclosed proxy and return it promptly. When a signed card is returned with choices specified with respect to voting matters, the shares represented are voted by the proxies designated on the proxy card in accordance with the stockholder's instructions. The proxies for the stockholders are Larry Franklin and Houston H. Harte.

If a signed proxy card is returned and the stockholder has made no specifications with respect to voting matters, the shares will be voted FOR the election of the two nominees for Class III director, FOR the ESPP Proposal, and at the discretion of the proxies on any other matter that may properly come before the Annual Meeting or any adjournment.

The total outstanding capital stock of the Company as of March 15, 2002 consisted of 62,658,583 shares of Common Stock. Each share of Common Stock is entitled to one vote.

The enclosed proxy is solicited on behalf of the Board of Directors of the Company. The cost of soliciting proxies in the accompanying form will be paid by the Company. Officers of the Company may solicit proxies by mail, telephone, or fax. Upon request, the Company will reimburse brokers, dealers, banks, and trustees, or their nominees, for reasonable expenses incurred by them in forwarding proxy materials to beneficial owners of shares of the Common Stock.

MATTERS TO BE BROUGHT BEFORE THE MEETING

PROPOSAL ONE-ELECTION OF CLASS III DIRECTORS

The current number of members of the Board of Directors is eight. The Board of Directors is divided into three classes, each of which serves for a three-year term. One class of directors is elected each year. The term of the Company's two Class III directors will expire at the Annual Meeting. The Class III directors elected in 2002 will serve for a term of three years, which expires at the Annual Meeting of Stockholders in 2005 or when their successors

are elected and qualified. The election of directors will be decided by a plurality of the votes cast.

The nominees for Class III directors are Houston H. Harte and Richard M. Hochhauser. Each nominee is a member of the present Board of Directors. The Board believes that each nominee will be available and able to serve as a director. If a nominee is unable to serve, the shares represented by all valid proxies will be voted for the election of such substitute as the Board may recommend, the Board may reduce the number of directors to eliminate the vacancy consistent with the requirement to maintain nearly equal classes, or the Board may fill the vacancy at a later date after selecting an appropriate nominee. Information with respect to the nominees is set forth in the section of this Proxy Statement entitled "Management -- Directors and Executive Officers."

THE BOARD OF DIRECTORS URGES STOCKHOLDERS TO VOTE "FOR"
EACH OF THE NOMINEES FOR DIRECTOR SET FORTH ABOVE.

PROPOSAL TWO -- AMENDMENT OF THE HARTE-HANKS 1994 EMPLOYEE STOCK PURCHASE PLAN

Since 1994, the Company has had an Employee Stock Purchase Plan (the "1994 Plan"). The 1994 Plan permits eligible employees to purchase shares of Harte-Hanks Common Stock at 85% of the fair market value on the date of purchase. The Board of Directors believes this stock-based plan, which is available to virtually all employees other than Company officers, plays an important role in attracting and retaining the services of a broad range of outstanding personnel and in encouraging such employees to have a greater personal financial investment in the Company.

The original number of shares of Common Stock reserved under the 1994 Plan was 900,000 (reflects stock splits), which was increased with stockholder approval in May 1997 to 2,000,000 shares (reflects stock splits).

As of March 15, 2002, 1,756,168 shares of Harte-Hanks Common Stock had been purchased by employees under the 1994 Plan, and 243,832 shares remained available for future purchase. Harte-Hanks had 62,658,583 shares outstanding at March 15, 2002. The purchase price (as adjusted for stock splits) for the shares of Common Stock acquired under the 1994 Plan on a weighted-average basis as of March 15, 2002, was \$14.53.

2

The Board of Directors proposes to amend the 1994 Plan to increase the number of shares of Harte-Hanks Common Stock reserved under the 1994 Plan from 2,000,000 to 4,000,000, which requires stockholder approval. The Board of Directors believes this amendment is necessary to assure that an adequate number of shares of Harte-Hanks Common Stock will be available for future purchases in order to provide appropriate incentives to employees of the Company.

As of March 15, 2002, approximately 7,000 employees were eligible to participate in the 1994 Plan. No directors or named executive officers have been eligible to participate in the 1994 Plan. Because each employee's participation in the 1994 Plan is purely voluntary, the future benefits under the 1994 Plan are not yet determinable.

The principal terms and operating features of the 1994 Plan are described below. The full text of the 1994 Plan, as amended to date and as proposed to be amended by this Proposal 2, is attached as Appendix A. The following description of the 1994 Plan is qualified in its entirety by reference to the terms of the attached 1994 Plan.

Purpose and Effect of Plan. The purpose of the 1994 Plan is to secure for the Company and its stockholders the benefits of the incentive inherent in the ownership of the Company's Common Stock by employees of the Company and its subsidiaries. The 1994 Plan is intended to comply with the provisions of Section 423 of the Internal Revenue Code of 1986, as amended (the "Code"), and is administered, interpreted, and construed in accordance with the Code.

Shares Reserved for the Plan. Currently reserved for issuance to and purchase by employees under the 1994 Plan are an aggregate of 2,000,000 shares of Common Stock of the Company. The Board of Directors proposes to amend the 1994 Plan to increase the shares of Common Stock under the 1994 Plan from 2,000,000 to 4,000,000. The reserved share number is subject to the anti-dilution provisions provided in Section 12 of the 1994 Plan. Shares subject to the 1994 Plan may be shares now or hereafter authorized but unissued or

shares that were once issued and subsequently reacquired by the Company. If and to the extent that any right to purchase reserved shares is not exercised by any employee for any reason or if the right to purchase terminates as provided in the 1994 Plan, then the shares which have not been purchased will again become available for the purposes of the 1994 Plan, unless the 1994 Plan has been terminated. Unpurchased shares will not be deemed to increase the aggregate number of shares reserved for purposes of the 1994 Plan (subject to adjustment as provided in Section 12).

Administration. The 1994 Plan is administered, at the Company's expense, by a committee (the "Committee") appointed by the Board of Directors consisting of not less than three members. Committee members may be directors or employees of the Company. Subject to the provisions of the 1994 Plan, the Committee has authority to interpret the 1994 Plan, to prescribe rules and regulations relating to the 1994 Plan, and to make all other determinations necessary or advisable in administering the Plan, all of which determinations are binding unless otherwise determined by the Board of Directors.

Participation. Currently, all employees of the Company and its subsidiaries are eligible to participate, except foreign employees, certain part-time employees, employees who own five percent or more of the outstanding stock of Harte-Hanks or any of its subsidiaries, and officers of Harte-Hanks who are "highly compensated employees" as defined in Section 414(q) of the Code. The 1994 Plan has semi-annual enrollment dates of August 1 and February 1.

Procedures; Price. Under the 1994 Plan, Common Stock is sold on quarterly investment dates to employees who have elected to authorize deductions from their paychecks. The amount of such payroll deductions may not exceed 10% of the employee's base compensation. Base compensation is gross compensation actually paid for the pay period, including overtime pay, but excluding all bonuses, severance pay, any extraordinary pay, expense allowances or reimbursements, moving expenses, and income from restricted stock or stock option awards. Amounts deducted will be accumulated in an account established in the employee's name. The purchase price is 85% of the fair market value (as defined in the Plan) of the Common Stock on the investment date. Therefore, the number of shares which each participating employee may purchase is

3

determined by dividing the amount accumulated in his or her payroll deduction account on an investment date by 85% of the fair market value of the Common Stock on that date.

Limitation of Number of Shares Which an Employee May Purchase. No right to purchase shares under the 1994 Plan will permit an employee to purchase stock under all employee stock purchase plans of the Company and its subsidiaries at a rate which exceeds \$25,000 of fair market value of such stock (determined at the time the right is granted) for any calendar year in which the right is outstanding.

Payment. The payment for shares purchased under the 1994 Plan is made from amounts accumulated from payroll deductions.

Adjustment in Case of Changes Affecting the Company's Stock. In the event of a subdivision of outstanding shares of Common Stock or the payment of a stock dividend thereon, the number of shares reserved or authorized to be reserved under the 1994 Plan will be increased proportionately, and such other adjustment shall be made as may be deemed necessary or equitable by the Board of Directors.

Retirement, Termination, and Death. In the event of an employee's retirement or termination of employment, the amount in his or her payroll deduction account shall be refunded to such participating employee or, in the event of his or her death, will be paid to his or her surviving spouse; or, if there is no surviving spouse, to the person or persons properly designated as his or her beneficiary(ies) under the Company's group term life insurance program; or, if there is no such beneficiary surviving, the Committee, in its sole discretion, may direct payment to the deceased participating employee's estate or to one or more of his or her surviving family members.

Amendments. Amendments may be made to the 1994 Plan from time to time by the Board of Directors, except that without stockholder approval no amendment will (i) increase or decrease the number of shares reserved for issuance under the 1994 Plan (other than in connection with changes in the Company's capital structure) or (ii) alter the eligibility criteria for participation in the 1994

Plan.

Termination. The 1994 Plan will terminate on any investment date when participating employees become entitled to purchase a number of shares greater than the number of reserved shares remaining available for purchase or if the 1994 Plan is terminated at the discretion of the Board of Directors.

Federal Tax Consequences. The Company has been advised that under present law and regulations the federal income tax consequences of the purchase of shares under the 1994 Plan and the subsequent disposition of such shares should be as follows.

Employee contributions to the 1994 Plan are made on an after-tax basis, i.e., these amounts are taken out of the employee's pay after payroll taxes and withholding are calculated. There is no federal income tax on the 15% discount when shares are purchased under the 1994 Plan, even though the employee will be paying less than market price for the shares.

If shares are sold more than two years after the investment date on which they were acquired (i) any profit up to 15% of the fair market value of the Common Stock on the date of acquisition of the shares will be taxable as ordinary income, and any further profit will be taxable as a capital gain, and (ii) any loss will be treated as a capital loss.

If shares are sold within two years after the investment date on which they were acquired (i) the difference between the price actually paid and the market price of the Common Stock at the investment date when the shares were purchased will be taxable as ordinary income (regardless of the market price of the shares at the time of sale), and any further profit will be taxable as a capital gain (long-term or short-term depending on the length of time the stock is held) and (ii) any loss, after increasing tax basis for the amount recognized as ordinary income, will be treated as a capital loss (long-term or short-term depending on the length of time the stock is held).

If a participant sells or otherwise disposes of shares purchased under the 1994 Plan within two years after acquisition of the shares, the Company will be entitled to a deduction measured by the difference between the

4

exercise price actually paid and the market price of the Common Stock at the investment date when the shares were purchased.

If a participant makes a gift of or otherwise disposes of his or her shares within two years of the acquisition of the shares, the full 15% discount on purchase will be taxed as ordinary income in the year of disposition. A later disposition may also result in tax, but the amount taxed as ordinary income will be the lesser of (i) 15% of the market value of the Common Stock at the date of acquisition of the shares or (ii) the difference between the market price at the date of disposition and the actual purchase price for the stock.

Upon the death of an employee participant prior to disposing of shares purchased under the 1994 Plan, the tax return for the year of death must include as ordinary income an amount equal to 15% of the market price at the date of acquisition of the shares (but not more than the amount by which the market value at death exceeds the purchase price).

Since the shares purchased at a discount through payroll deductions are subject to special tax rules, it is important that records be maintained by the employee participant which will enable him or her to identify the shares which are sold. The holding period and cost basis will vary, depending on which shares are sold. Unless one can identify the particular shares to be sold, a sale of less than all of an employee's shares will be treated for tax purposes as a sale of the shares acquired earliest.

The 1994 Plan is not subject to the qualification requirements of Section 401(a) of the Code. The 1994 Plan is intended to qualify under Section 423 of the Code. However, the Code may change in the future. The Company is not liable to employees or any other persons if the 1994 Plan does not meet the requirements of Section 423 of the Code. The federal income tax summary above assumes the 1994 Plan qualifies under Section 423 of the Code.

THE SUMMARY OF THE FEDERAL INCOME TAX CONSEQUENCES UPON THE PARTICIPANTS IN THE 1994 PLAN CONTAINED IN THIS PROXY STATEMENT DOES NOT PURPORT TO BE COMPLETE.

STOCKHOLDERS ARE URGED TO SEEK THE ADVICE OF THEIR OWN TAX COUNSEL ON THESE MATTERS.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" THE INCREASE IN THE NUMBER OF SHARES RESERVED UNDER THE 1994 PLAN FROM 2,000,000 TO 4,000,000.

RETIREMENT BENEFIT PLAN

In addition to a defined benefit pension plan qualified under Section 401 of the Code, the Company has established for certain individuals an unfunded, non-qualified pension restoration plan. The annual pension benefit under the plans, taken together, is largely determined by the number of years of employment multiplied by a percentage of the participant's final average earnings (earnings during the highest five consecutive years). The defined benefit plan was frozen as of December 31, 1998, and no further benefits will accrue under that plan. In addition, the Code places certain limitations on the amount of pension benefits that may be paid under qualified plans. Any benefits payable to participants in the pension restoration plan in excess of those payable from the defined benefit plan will be paid under the pension restoration plan.

The table below may be used to calculate the approximate annual benefits payable at retirement at age 65 under the Company's defined benefit pension plan and pension restoration plan to individuals in specified remuneration and years-of-service classifications. The benefits are not subject to any reduction for social security benefits or other offset amounts.

The compensation included in the Summary Compensation Table under salary and bonuses qualifies as remuneration for purposes of the Company's defined benefit pension plan and pension restoration plan, except that there are limits on the amounts of bonuses taken into consideration under the pension restoration plan. For purposes of the plans, the officers named in the Summary Compensation

Table have the following years of service: Mr. Franklin: 30 years; Mr. Hochhauser: 26 years; Mr. Kerrest: 5 years; Mr. Gorman: 21 years; and Mr. Crews: 19 years.

COMPENSATION OF DIRECTORS

Directors who are not employees or otherwise affiliates of the Company receive annual director's fees of \$47,000 and are reimbursed for certain out of pocket expenses. Directors who are employees or are otherwise

11

affiliates of the Company do not receive director's fees. Under the Harte-Hanks, Inc. 1998 Director Stock Plan non-employee directors may elect to receive all or a portion of the cash compensation otherwise payable for such director's services in common stock of the Company based upon fair market value. During 2001, David L. Copeland, Dr. Peter T. Flawn, Christopher M. Harte, and James L. Johnson each received director's fees in cash or in stock of \$47,000. William K. Gayden, who became a director November 1, 2001, received directors fees of \$7,833.

SEVERANCE AGREEMENTS

The Company has entered into a severance agreement with Larry Franklin. If (i) Mr. Franklin is terminated from his position as Chairman and Chief Executive Officer of the Company other than for "cause" (as defined in the severance agreement); (ii) Mr. Franklin terminates his employment after specified adverse actions are taken by the Company; or, (iii) there is a "change in control" (as defined in the severance agreement) of the Company, then in any of such events Mr. Franklin will be entitled to severance compensation in a lump sum cash amount equal to 200% of the sum of (A) the annual base salary in effect just prior to such event, plus (B) the average of the bonus or incentive compensation for the two fiscal years preceding such event. In addition to the cash compensation, the Company will continue to provide certain benefits for a two-year period and all options previously granted to Mr. Franklin will immediately vest and become fully exercisable. The Company has entered into a severance agreement with Richard M. Hochhauser substantially the same as the severance agreement with Mr. Franklin.

Effective April 1, 2002, Mr. Franklin has announced that he will resign from his position as Chief Executive Officer, and will be succeeded in this position by Mr. Hochhauser. Mr. Franklin will remain Chairman. This succession will not trigger any payments or benefits under Mr. Franklin's severance agreement.

The Company has also entered into severance agreements with each of its other executive officers. If after a "change in control" (as defined in the severance agreements) of the Company, any of such executives is terminated other than for "cause" (as defined in the severance agreements), or elects to terminate his employment under specified circumstances, the executive will be entitled to severance compensation in a lump sum cash amount equal to 200% of the sum of (A) the annual base salary in effect immediately prior to the change in control, plus (B) the average of the bonus or incentive compensation for the two fiscal years preceding the change in control. In addition, a terminated executive will receive a cash payment sufficient to cover health insurance premiums for a period of 18 months. Upon a change in control, all options previously granted to the executive will immediately vest and become fully exercisable. Under limited circumstances certain of such executives may be entitled to the foregoing benefits upon termination of employment before a "change in control" occurs.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors is responsible for recommending to the full Board of Directors salary amounts for the Company's Chief Executive Officer and other executive officers and making the final determination regarding bonus arrangements and awards of stock options to such persons.

Compensation to executives is designed to attract and retain superior talent, to motivate the performance of executives in support of the achievement of the Company's strategic, financial, and operating performance objectives, and to reward performance that meets this standard. The Company is engaged in highly competitive businesses and must attract and retain qualified executives in order

to be successful. In 2001, executive compensation included the following elements:

Base Salary. The base salary for the Chief Executive Officer and the other executive officers of the Company was determined after review of publicly available information concerning the base salaries of executives with similar responsibilities in companies engaged in businesses similar to the Company's core businesses (which may include, but are not necessarily the same as, those included in the Peer Group Index Graph contained in this Proxy Statement) and the responsibilities of each executive officer, particularly in

12

view of the fact that the decentralized management philosophy of the Company relies heavily on the direct action of the Company's executives in pursuit of Company goals.

Annual Incentive Compensation. Year-end cash bonuses are designed to motivate the Chief Executive Officer and the other executive officers to achieve specific annual financial and other goals based on the strategic, financial, and operating performance objectives of the Company overall, as well as each core business. In conjunction with the Compensation Committee's review of the strategic and operating plans of the Company and each core business at the beginning of 2001, the Compensation Committee established incremental target performance levels for each executive officer based on the operating profit and earnings per share growth goals of the Company and the related financial goals of the core businesses. Bonus amounts were paid to the executive based on the target performance level reached.

Stock Option Plan. The Harte Hanks, Inc. Amended and Restated 1991 Stock Option (the "1991 Plan") forms the basis of the Company's long-term incentive plan for executives. The Compensation Committee believes that a significant portion of executive compensation should be dependent on value created for the stockholders. Stock options are generally granted annually. In 2001, options were granted at fair market value on the date of grant and become exercisable in installments over five years from such date if the option holder is still employed. In selecting recipients for option grants and in determining the size of such grants, the Compensation Committee considered various factors including the overall performance of the Company and the recipient.

Executives also receive benefits typically offered to executives by companies engaged in businesses similar to the Company's core businesses and various benefits generally available to employees of the Company (such as health insurance).

It is the Company's policy to qualify compensation paid to executive officers for deductibility under applicable provisions of the Code, including Section 162(m). The Company, however, may determine from time to time to pay compensation to its executive officers that may not be deductible.

In making its decisions, the Compensation Committee takes into account, primarily on a subjective basis, factors relevant to the specific compensation component being considered, including compensation paid by other companies of comparable size in businesses similar to the Company's core businesses, the generation of income and cash flow by the Company as a whole and the individual core businesses, the attainment of annual individual and business objectives and an assessment of business performance against companies of comparable size in businesses similar to the Company's core businesses, the executive officer's level of responsibility, and the contributions the Company expects the executive to make in pursuit of the Company's strategies.

2001 Compensation of Chief Executive Officer. The base salary of Mr. Franklin for 2001 was \$835,000, the same as his base salary in 2000. Effective April 1, 2001, in response to actual and expected revenue shortfalls, the salaries for Mr. Franklin and all other executive officers were reduced by 5% for the remainder of 2001, and currently this reduction remains in effect. Mr. Franklin's bonus potential was targeted at 50% of base salary, with a potential range of 0%-100% of base salary. Mr. Franklin's 2001 cash bonus, which was based on the degree of attainment of financial goals established at the beginning of 2001, reflects the fact that in 2001 the Company's revenues declined from the 2000 level, and that while operating income and earnings per share from the Company's current businesses increased from 2000 levels, the amount of such increases were less than targeted under the 2001 bonus plan. In 2001, Mr. Franklin received an option grant for 100,000 shares of Common Stock under the

Company's 1991 Plan, and in making that grant the Committee took into consideration the factors described above under the caption "Stock Option Plan."

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

COMPARISON OF STOCKHOLDER RETURNS

The following graph compares the cumulative total return of the Company's Common Stock during the period December 31, 1996 to December 31, 2001 with the S&P 500 Index, a peer group tracked in the proxy statement relating to the Annual Meeting of the Company held on May 8, 2001, and a new peer group selected by the Company for inclusion into this Proxy Statement for the reasons explained below.

The S&P 500 Index includes 500 United States companies in the industrial, transportation, utilities, and financial sectors and is weighted by market capitalization. Both peer groups are also weighted by market capitalization. In the proxy statement relating to the Annual Meeting of the Company held on May 8, 2001, the Company compared total return of its Common Stock against a peer group including Acxiom Corporation, Catalina Marketing Corporation, Fair Isaac and Company, Incorporated, infoUSA, Inc., Convergys Corporation, Young & Rubicam Inc. (merged with WPP Group PLC in October 2000), Snyder Communications, Inc. (merged with Havas Advertising in September 2000), Sykes Enterprises, Incorporated, and Teletch Holdings, Inc. (the "Old Peer Group"). Convergys Corporation and Young & Rubicam Inc. have been factored only for 1998, 1999, and 2000 and Snyder Communications, Inc., Sykes Enterprises, Incorporated, and Teletch Holdings, Inc. have been factored only for 1997, 1998, 1999, and 2000, because such periods reflect the time these companies have been public. The Company has selected a new peer group (the "New Peer Group") consisting of companies more closely mirroring the Company's current lines of business, and to reflect the mergers involving two members of the Old Peer Group. This New Peer Group includes Acxiom Corporation, Catalina Marketing Corporation, Choicepoint, Inc., Convergys Corporation, Equifax, Inc., Fair Isaac and Company, Incorporated, infoUSA, Inc., Sykes Enterprises, Incorporated, and Teletch Holdings, Inc.

The graph depicts the results of investing \$100 in the Company's Common Stock, the S&P 500 Index, the Old Peer Group and the New Peer Group at closing prices on December 31, 1996. It assumes that all dividends were reinvested.

APPENDIX A

HARTE-HANKS, INC.
1994 EMPLOYEE STOCK PURCHASE PLAN
AS AMENDED AS OF _____, 2002

1. PURPOSE AND EFFECT OF PLAN.

The purpose of the 1994 Employee Stock Purchase Plan, as amended (the "Stock Purchase Plan" or the "Plan") is to secure for Harte-Hanks, Inc., a Delaware corporation (the "Company"), and its stockholders the benefits of the incentive inherent in the ownership of the Company's capital stock by employees of the Company and its subsidiaries. The Stock Purchase Plan is intended to comply with the provisions of Section 423 of the Internal Revenue Code of 1986, as amended (the Code), and the Plan shall be administered, interpreted, and construed in accordance with such provisions.

2. SHARES RESERVED FOR THE PLAN.

There shall be reserved for issuance to and purchase by employees under the Stock Purchase Plan an aggregate of 4,000,000 shares of Common Stock, \$1.00 par value per share, of the Company ("Common Stock"), subject to adjustment as provided in Section 12. Shares subject to the Plan may be shares now or hereafter authored but unissued or shares that were once issued and subsequently reacquired by the Company. If and to the extent that any right to purchase reserved shares shall not be exercised by any employee for any reason or if such right to purchase shall terminate as provided herein, such shares which have not been so purchased hereunder shall again become available for the purposes of the Plan unless the Plan shall have been terminated, but such unpurchased shares shall not be deemed to increase the aggregate number of shares specified above to be reserved for purposes of the Plan (subject to adjustment as provided in Section 12).

3. ADMINISTRATION OF THE PLAN.

The Stock Purchase Plan shall be administered, at the expense of the Company, by a committee appointed by the Board of Directors, which shall be designated as the Employee Stock Purchase Plan Committee (the "Committee"), consisting of not less than three members, who shall serve at the pleasure of the Board of Directors. The Committee shall select one of its members as chairman and shall hold meetings at such times and places as it may determine. The Committee may request advice or assistance or employ such persons as are necessary for proper administration of the Plan. Subject to the express provisions of the Plan, the Committee shall have the discretionary authority to interpret the Plan, to supply omissions or correct errors in the Plan, to prescribe, amend, and rescind rules and regulations relating to it, to make equitable adjustments for any mistakes made in the administration of the Plan, and to make all other determinations necessary or advisable in administering the Plan, all of which determinations shall be final and binding upon all persons unless otherwise determined by the Board of Directors. A quorum of the Committee shall consist of a majority of its members and the Committee may act by vote of a majority of its members at a meeting at which a quorum is present or without a meeting by a written consent to their action taken signed by all members of the Committee.

4. ELIGIBLE EMPLOYEES.

All present and future employees of the Company, its present and future domestic subsidiaries, and such of its present or future foreign subsidiaries as may be designated from time to time by the Committee, shall be eligible to participate in the Stock Purchase Plan, provided each of such employees:

(d) does not own, immediately after the right is granted, stock possessing five percent (5%) or more of the total combined voting power or value of all classes of capital stock of the Company or of any subsidiary company.

In determining whether a corporation is a subsidiary, the rules of Section 424(f) of the Code shall be followed and in determining stock ownership under this paragraph, the rules of Section 424(d) of the Code shall apply and stock which the employee may purchase under outstanding options shall be treated as stock owned by the employee. Employees eligible to participate in the Stock Purchase Plan pursuant to the provisions of this Section 4 are hereinafter referred to as "Eligible Employees".

5. ELECTION TO PARTICIPATE.

Each Eligible Employee, at the effective date of the Stock Purchase Plan and at August 1 in each calendar year after the calendar year which includes the effective date, and at February 1, 1998 and each subsequent February 1 (each such August 1 or February 1 being referred to as the Enrollment Date), may

Base compensation is gross compensation actually paid for the pay period, excluding all bonuses, severance pay, any extraordinary pay, expense allowances/ reimbursements, moving expenses, and income from restricted stock or stock option awards. Employees who so elect to participate in the Plan are referred to herein as Participating Employees. Payroll deductions for each Participating Employee shall be made regularly commencing on the Enrollment Date, by the Company and shall be credited to an account which the Company shall establish in the name of each participant (the "Payroll Deduction Account"). A Participating Employee may at any time withdraw the entire balance accumulated in his or her Payroll Deduction Account and thereby cease to be a Participating Employee in the Plan until the following Enrollment Date of the Plan. Such payroll deductions shall continue until the Plan terminates or the Participating Employee elects to cease participating or elects to change his or her contribution percentage. A Participating Employee may at any time (but not more than once during a six month period) decrease his or her payroll deduction, but not to less than one percent (1%), by filing a new Enrollment Form which shall become effective on the following payroll date, or as soon thereafter as practicable. 7. PURCHASE PRICE.

The purchase price for each share of Common Stock shall be eighty-five percent (85%) of the fair market value of such share on the Investment Date, as defined in Section 8.

"Fair market value" shall be determined by the Committee by any fair and reasonable means, including if the Common Stock is listed for trading on a national securities exchange, the mean of the high and low sales prices on such exchange on the date in question, or if the Common Stock shall not have been traded on such exchange on such date, the mean of the high and low sales prices on such exchange on the first day prior thereto on which the Common Stock was traded.

8. METHOD OF PAYMENT.

As of the last business day in October, January, April, and July during the life of the Plan (each of such dates being known as an "Investment Date"), each Participating Employee shall have the right to purchase the number of whole shares of Common Stock determined by dividing the amount of the balance in his or her Payroll Deduction Account by the purchase price as determined in Section 7. Each Participating Employee having funds in his or her Payroll Deduction Account on an Investment Date shall be deemed, without any further action, to have purchased with the funds in such account the number of whole shares which such Participating Employee has the right to purchase at the purchase price on that Investment Date. A certificate or certificates representing such shares shall be issued promptly to the Participating Employee. Any amount remaining in a Participating Employee's Payroll Deduction Account after any Investment Date shall be retained in his or her Payroll Deduction Account for use in purchasing shares of Common Stock on subsequent Investment Dates or refunded to the Participating Employee if for any reason he or she ceases to participate in the Plan.

9. REGISTRATION OF CERTIFICATES.

Stock certificates may be registered only in the name of the employee.

10. RIGHTS AS A STOCKHOLDER.

When a Participating Employee's Payroll Deduction Account shall be charged with the amount of the purchase price of stock, he shall immediately thereupon have all of the rights or privileges of a stockholder of the Company with respect to shares purchased under the Plan, whether or not certificates representing the purchased shares shall have been issued.

11. RIGHTS NOT TRANSFERABLE.

Rights under the Plan are not transferable by a Participating Employee and are exercisable only by the Participating Employee.

12. ADJUSTMENT IN CASE OF CHANGES AFFECTING THE COMPANY'S STOCK.

In the event of a subdivision of outstanding shares of Common Stock or the payment of a stock dividend thereon, the number of shares reserved or authorized to be reserved under this Stock Purchase Plan shall be increased proportionately, and such other adjustment shall be made as may be deemed necessary or equitable by the Board of Directors. In the event of any other change affecting the Common Stock, such adjustment shall be made as may be deemed equitable by the Board of Directors to give proper effect to such event, subject to the limitations of Section 424 of the Code. In the event of a corporate transaction described in Section 424(a) of the Code, the Board of Directors of the Company may, alternatively, approve the assumption of the Plan by a successor corporation that becomes the employer of a significant number of Participating Employees ("Successor Employer"). In such event, any uninvested amounts in the Payroll Deduction Accounts of Participating Employees who become employees of the Successor Employer (or its subsidiary) shall be invested in stock of the Successor Employer in accordance with Section 424(a), and such Participating Employees' most recent Enrollment Forms shall be deemed to continue in effect, subject to the right of any Participating Employee to cease participating at any time. In the event of assumption of the Plan, Participating Employees who do not become employees of the Successor Employer (or one of its subsidiaries) shall be deemed to have terminated employment, solely for purposes of this Plan.

13. RETIREMENT, TERMINATION AND DEATH.

In the event of a Participating Employee's retirement or termination of employment, the amount in his or her Payroll Deduction Account shall be refunded to such Participating Employee or, in the event of his or her death, shall be paid to his or her surviving spouse; or, if there is no surviving spouse, to the person or persons properly designated as his or her beneficiary(ies) under the Company's group term life insurance program; or,

A-3

if there is no such beneficiary surviving, the Committee, in its sole discretion, may direct payment to the deceased Participating Employee's estate or to one or more of his or her surviving family members.

14. AMENDMENT OF THE PLAN.

The Board of Directors may at any time, or from time to time, amend the Plan in any respect, except that, without the approval of the holders of a majority of the shares of Common Stock of the Company voting thereon, no amendment shall be made (a) increasing or decreasing the number of shares to be reserved under the Plan (other than as provided in Section 12) or (b) altering the eligibility criteria for participation in the Plan.

15. TERMINATION OF THE PLAN.

The Plan and all rights of employees hereunder shall terminate:

(a) on any Investment Date when Participating Employees become entitled to purchase a number of shares greater than the number of reserved shares remaining available for purchase; or

(b) if the Plan is terminated at any time, at the discretion of the Board of Directors.

In the event that the Plan terminates under circumstances described at (a) above, reserved shares remaining as of the termination date shall be issued to Participating Employees in proportion to the balances in the Payroll Deduction

Accounts of such employees. Upon termination of the Plan, all amounts held in the Payroll Deduction Accounts shall, to the extent not used to purchase shares of the Common Stock, be refunded to the Participating Employee entitled thereto.

16. EFFECTIVE DATE OF PLAN.

The Plan shall become effective the latest of (a) August 1, 1994, (b) the date on which stockholders' approval is obtained and (c) the date on which a Registration Statement under the Securities Act of 1933, as amended, covering the shares to be issued under the Plan becomes effective.

17. GOVERNMENTAL AND OTHER REGULATIONS.

The Plan, and the grant and exercise of the rights to purchase shares hereunder, and the Company's obligation to sell and deliver shares upon the exercise of rights to purchase shares, shall be subject to all applicable Federal, state, and foreign laws, rules, and regulations, and to such approvals by any regulatory or governmental agency as may, in the opinion of counsel for the Company, be required.

18. INDEMNIFICATION OF COMMITTEE.

Members of the Committee shall be indemnified and entitled to reimbursement of expenses pursuant to the Company's Certificate of Incorporation and bylaws to the same extent as if they were directors of the Company.

19. LISTING OF SHARES AND RELATED MATTERS.

If at any time the Board of Directors or the Committee shall determine, based on opinion of counsel, that the listing, registration, or qualification of the shares covered by the Plan upon any national securities exchange or under any state or federal law or the consent or approval of any governmental regulatory body is necessary or desirable as a condition of, or in connection with, the sale or purchase of shares under the Plan, no shares will be sold, issued, or delivered unless and until such listing, registration, qualification, consent, or approval shall have been effected or obtained, or otherwise provided for, free of any conditions not acceptable to counsel.

20. THIRD PARTY BENEFICIARIES.

None of the provisions of the Plan shall be for the benefit of or enforceable by any creditor of a Participating Employee or any other third party. A Participating Employee may not create a lien, encumbrance, or assignment on any portion of the cash balance accumulated in his or her Payroll Deduction Account or on any shares covered by a right to purchase before a stock certificate for such shares is issued for his or her benefit.

21. GENERAL PROVISIONS.

The Plan shall neither impose any obligation on the Company or on any parent or subsidiary corporation to continue the employment of any Participating Employee, nor in any way limit or restrict the right of the Company or any parent or subsidiary to discharge any Participating Employee or to change his or her position or compensation. For purposes of the Plan, an employment relationship shall be deemed to exist between an individual and a corporation if, at the time of the determination, the individual is an "employee" of such corporation within the meaning of Section 423(a)(2) of the Code and the regulations and rulings interpreting such Section. For purposes of the Plan, the transfer of a Participating Employee from employment with the Company to employment with a parent or subsidiary of the Company, or vice versa, shall not be deemed a termination of employment of the Participating Employee. Subject to the specific terms of the Plan, all Participating Employees granted rights to purchase shares hereunder shall have the same rights and privileges.

22. GOVERNING LAW.

The Plan and rights to purchase shares that may be granted hereunder shall be governed by and construed and enforced in accordance with the laws of the State of Texas without regard to principles of conflicts of laws.
